

Remember

1 Corinthians 1:26-2:5

*Remember the last two weeks...

1:5 - We are "[saints by calling](#)". We are to [SHINE](#)

1:10 - We are not [shining](#) when we are [divided](#) over our [allegiance](#) to our favorite spiritual leader

1:18-25 - The cure for our division is to remember that the [power for life change](#) is in the [MESSAGE](#) of the [CROSS](#), not the messenger

*Remember ...When you were saved *1:26-30*

- Most of us were.... [foolish, weak and nobodies](#)
- All of us were... [chosen, but only by grace](#)
- His gracious choosing... [silences our pride and spotlights His grace](#)

*Remember... The messenger that you heard *2:1-4*

- The messenger was not ... [superior in wisdom or speaking](#)
- The messenger was...[weak, fearful, trembling](#)
- The messenger was dependent upon... [the power of the Spirit,](#)
[not the power of persuasion](#)

*The Fruit of Remembering: *1:31-2:5*

- Our boasting would be in... [God's grace not our works](#)
- Our faith would be in ... [God's power, not our competency](#)
